About TAITRA

Founded in 1970 to help promote foreign trade, the Taiwan External Trade Development Council (TAITRA) is the foremost non-profit trade promotion organization in Taiwan. Jointly sponsored by the government, industry associations, and several commercial organizations, TAITRA assists Taiwan businesses and manufacturers with reinforcing their international competitiveness and in coping with the challenges they face in foreign markets.

Since its establishment, TAITRA has developed a well-coordinated trade promotion and information network composed of over 1,200 trained specialists stationed at its headquarters in Taipei, in five local branch offices in Taoyuan, Hsinchu, Taichung, Tainan, and Kaohsiung, as well as in over 60 representative offices around the world.

In association with its sister organizations, the Taiwan Trade Center, Inc. (TTC) and the Taipei World Trade Center (TWTC), TAITRA continues to do everything possible to adapt its trade promotion strategies to the changing international trends and conditions. TAITRA's major functions include Market Development, Strategic Marketing, Trade Information Services, Exhibitions, Convention Services, Trade Education, and TaiwanTrade (an e-Trading Hub service).

Tremendous business opportunities can be found in Taiwan's dynamic economy. Taiwan's strategic location, infrastructure and capital make the island an ideal springboard for business operations throughout Asia and the Pacific Rim. TAITRA, together with its experienced trade specialists, all stand ready to help you do business with Taiwan.

Morishita Taiwan Co., Ltd. was founded in 1993 in Taipei, as the first oversea subsidiary of Morishita & Co., Ltd., which had started its history since 1927 in Tokyo, Japan.

In 1993, we started selling raw chemical materials for Taiwanese and Japanese market. In 1994, we got involved in power supply modules and devices.

In 2007, we got involved in LED lighting. Since then we co-worked with many professionals together, in pursuit of "high quality and low-price LED lighting". Now we are looking for agent(s) who can promote our "Taiwan quality and Chinese price" LED lighting fixtures in each partner's market. If you are interested in our long experience and highly competitive products in this field, please contact us. We welcome you!
